

Welcome

TAG offers a variety of programs aimed at helping to develop tennis players of all levels. We start with a 5-10 minute evaluation of the player and then place them in the group that best meets their needs. Call (404-395-6396) or email (Jeff@TagTennisGA.com) to schedule an evaluation.

During the school year, players are enrolled in one drill session and one match play session per week (**a total of two sessions per week**). Other than the pee-wee group, all sessions are for 2 hours.

All drill sessions are held rain or shine. During inclement weather, we work on sports psychology, do heavy fitness and speed training, watch films, give tournament advice, discuss strategy, and hit in the upstairs hitting area.

Pricing Notes

- There is a \$20 discount for any additional child.
- Because we want to make sure your child enjoys our program and is a good fit, we do not charge an initiation fee up front. If you are satisfied with the program after the first month, there is a \$100 initiation fee per family for all junior memberships. The initiation fee is pro-rated for your 1st year at TAG (\$8 per month). After your first year, the annual initiation fee of \$100 will be added to your January bill, due on January 10th.
- Because we plan our schedules 30 days in advance, we require a 30 day notice if you drop any part of the program for any reason. After giving your notice, you are responsible for the next billing period.

Pricing Notes (continued)

- All bills are sent out via email on the 1st of each month, and we offer an auto-pay option with your Visa or MasterCard. There is a \$5 service fee added to your bill if your credit card is used. If you choose auto-pay, your credit card will be charged on the 1st of each month. Upon enrollment at TAG, we require that ALL participants leave their credit card information on file with TAG. If your bill is not paid in full by the 10th of the month, your credit card will be charged on the 11th for the remainder of your balance.

Private Lessons

Private lesson programs are available. The monthly fee for one 30 minute session a week is \$140. Private lessons are not limited to 30 minutes per week.

Similar to drills, private lessons are held rain or shine and there are no make-ups. During inclement weather, we work on sports psychology, do heavy fitness and speed training, watch films, give tournament advice, discuss strategy, etc.
